Memorial Service for Don Russell

Rev. Doug Ross began the memorial service by saying he and Don had at least two things in common: they both were farm boys who in their twenties returned to school to acquire more education. Doug read the 90th psalm. Mille Norry gave the tribute to Don. She said when Don retired from the club secretary position, she took over this job. She recalled how Don had a love hate relationship with statistics and often recruited three other Middlesex Kiwanis members to travel with him to

visit other clubs. (Four Kiwanis members were necessary to have an Interclub which gives our club points in the Kiwanis organization). Millie told us her Dad,, Herb Norry recruited Don into Kiwanis. He met Don and Lee at the Castle Square Dancing club where Herb and Jean

were also members. Don was very active in Kiwanis during the 21 years he was a member serving in many positions including club president, and most recently club secretary. In 2006 he was Lieutenant Governor of Division 5W.

Rev Doug closed the memorial service with a prayer and we sang the hymn 'O God in Help and Ages Past'.

Program

Andre Cote introduced our speaker Susan Oster, Public Education Co-ordinator for the Alzheimer Society London and Middlesex who told us for people with dementia it is important to stay active and socially

involved. Living a healthy lifestyle including eating fruits and vegetables such as blueberries and spinach. will lower the risk for dementia and there are simple things you can do to give your brain a 'regular workout' e.g. Play games like chess, do puzzles,, enjoy old and new hobbies, visit art galleries or museums. Spend time with people who have a positive attitude, become a volunteer. George Mudge thanked the speaker.
