EDUCATIONAL SPOT FOR AUGUST 24, 2017

The first Kiwanis headquarters, a two-room office was opened in Chicago in 1918. Kiwanis continued to rent larger and larger offices in the "Windy City" until 1957, when the first Kiwanis International building was dedicated. This building served Kiwanis for 25 years, until the organization outgrew the space. In 1982, the sale of the property allowed construction of a larger building in Indianapolis—a site with lower costs and greater convenience than downtown Chicago
