## Public Service Announcement

Program 06 June, 2024

President Carol Turnbull this morning began our round table discussion telling us that the Staples project will be going again this year. Once again Staples will be collecting money for school Principals to buy supplies for their schools. Staples give them Staples gift cards. We work with 5 schools and the challenge is to find ways to get Staples customers to donate money for these supplies. The two stores we look after are the Argyle Mall store and the store on Wonderland Rd. Carol asked for club members to volunteer to help with the project. We are also looking for suggestions for fundraising. Several suggestions were made including: card party, trivia night and working with another club to host a community dance. Fortunately we do have our Bequest and Endowment Fund (B&E) which provides money from investments so we can meet our community obligations. It was suggested we activate the Charitable Selections Committee which would consist of club members from both the club finance committee and the B&E committee.

**50/50 winner: Carol Turnbull**

**Kiwanis Education 06 June 2024**

**It cannot be denied that where “businesses tend to become a form of warfare” the only way to create better relations is to seek and think the Golden Rule. It is foolish to expect Kiwanis to exist indefinitely on good-fellowship. We must know what is good government and fair industrialization and then seek it with all our heart.
